

WELCOME TO LAFFERTY'S KINDERLOVES!

I am so excited to welcome you to Kindergarten! My name is Lesa Lafferty. I have almost 20 years experience teaching and truly, Kindergarten has always been my favorite! I graduated from Northeastern State University in Tahlequah Oklahoma with a bachelors in early childhood education and a masters in reading instruction. Tahlequah is the Cherokee Nation Capital. I am proud of my Native American heritage!

Our classroom is a fun environment for learning. We work hard and we play hard as well. Even though this year will be a little different than any I've done before, I will still strive to make a fun, engaging learning environment and give your KinderLove happy memories to last a lifetime.

Please keep an eye on ParentSquare, I will always use this as our communication platform. If you experience any problems, feel free to text me at 918-269-9314. We are a team in your child's education and staying in contact is extremely important to me.

In Kindergarten, we learn our alphabet, how to manipulate the letter sounds, rhyming and sentence structure, phonics and beginning reading skills. We learn how to put our thoughts on paper and become good writers. We learn varied math concepts and master addition and subtraction to five. We also learn some fun science facts, learn about the scientific method and delve into history and social studies.

Some of the fun things we do in Kindergarten may look a little different, but I will try to have fun Halloween celebrations, a Walk Through Time near Thanksgiving, We go back in time and see what life was like for the pioneers and native americans. We go around the world during the holidays, we host a Mother's Day Spa, and then there is a fun field day, a Barnyard Moosical, and a sweet graduation. If these activities need to be of a more virtual nature we will do that so we can have fun safely. Keep watching ParentSquare!

Thank you for this opportunity to make this a great beginning year for your child. There is great success on the horizon!

Lesa Lafferty
