

Dear Parents,

Welcome to **SIXTH** grade! We are so excited to be your student's teachers this year. We have many exciting activities planned. The activities will foster learning, build friendships, provide experiences to help with real life situations, and help prepare your child for junior high. With your support, this year should be a positive learning experience for your child. The first week of school you will receive the Sixth Grade Disclosure through Parent Square. This document contains important information about sixth grade policies, procedures, and programs. Please take the time to review the information and discuss it with your student. Then complete the Google Form also included in the Parent Square Post indicating that you have read and agree to the document. Please include any questions or concerns you may have.

Thank you in advance for your support with these policies and programs. Our goal is to help your student have the best year possible and to leave Grant at the end of the year ready for junior high. We are looking forward to learning with your students. Please feel free to contact us anytime with questions or concerns you may have and we will get back to you as soon as possible.

Sincerely,

**Mrs. Tami Lundberg and Mrs. Ogaard**
