

Welcome Back!

Hello! My name is Mrs. Graham and I am so excited to be your child's 5th grade teacher this year! I recognize so many names and am excited to meet the new students to Grant this year. I hope this message finds you well and that you had a great summer. Fifth grade is a great year of growing academically and socially. I look forward to seeing the growth you child makes this year!

I am supplying pencils, colored pencils, crayons, rulers, scissors, etc. So your child does not need to bring these items. However, I will provide a wish list at Back to School Night to help replenish these items if you would like to support the class in that way. **I will also ask that your child have their own personal headphones or earbuds that they can keep at school.** Please let me know if your child needs help accessing a pair.

You will soon have access to a class website that will have our curriculum sorted by subjects. This will give you what we are reading and working on in class. It will also have a detailed disclosure and other information you may find helpful. I will post the link to this website on ParentSquare in the near future.

Feel free to **contact me** with any questions or concerns you may have. The best and fastest way to reach me is through **ParentSquare**. I look forward to meeting you and working with your child.

Mrs. Graham
