

Welcome to Mrs. Horrocks' Class

I am so excited to get to know all of you! My name is Rochelle Horrocks and I teach Special Education. I will be at Grant in the afternoons and Kalli Pendley, the other Special Education teacher will be here in the mornings. I will be working with 1st, 4th, and 5th grades and afternoon kindergarten.

I have taught Special Education at Parkside Elementary for the last 3 years after getting my Master's Degree in Special Education from the University of Utah. Before that, I taught 1st and 2nd grade in Granite District for 9 years.

I will work closely with your child's general education teacher to make sure that every student is accessing their grade level content. Students will begin receiving academic interventions within the next couple weeks. I will be communicating regularly to discuss student goals and progress, but feel free to contact me with any questions or concerns:
