

## **Adventure Awaits- School Spirit Days 2024-2025**

**SEPTEMBER( 9/11) USA** – Show how patriotic you can be. Dress in red, white, and blue, but it is always fun to represent with stars and stripes!

**OCTOBER (10/9) Anything But a Backpack** – You cannot go on an adventure without your gear. What will you bring to school today instead of your backpack? The task is simple –raid your house to find the most creative and unconventional items to carry your books to school for today's adventure!

**NOVEMBER (11/13) EXPLORER** – Bust out the hiking boots and Patagonia. Whether it's camo, cargo, or hiking boots, how would you dress for your adventure as an Explorer? A bucket hat is also a must!

**DECEMBER (12/11) Tacky Tourist** – Bring the vacation to school! Ideas can include a tropical shirt, fanny pack, socks with sandals, a bucket hat, or Mickey Ears – (or a little bit of each) just have fun with it!

**JANUARY (1/15)- Under the Sea** – Bring your snorkel and flippers or dress as an undersea creature (real or mythical). Students can dress like fish, sailors, or even mermaids for this adventure.

**FEBRUARY (2/12) Safari** – With a safari theme, students can dress like they are on a safari with some khakis and binoculars, or they can even dress as a safari animal with the help of some patterned leggings and creative makeup.

**MARCH (3/12) Space** – Keep those metallics on hand for an out-of-this-world adventure. Students can dress as beings from other dimensions, planets, and stars. Space buns with glitter make this adventure fun!

**April (4/16)- Tropical** – Goodwill often has lots of tropical print shirts for just a few dollars, and don't forget your leis and sunglasses for this adventure!

**May (5/14) Adventure Awaits!** Pick your Dream Vacation Destination. Each student picks a country or place (France, China, America) they would like to visit and dresses like the people that live there! Where will your adventure take you?
